

GUILD OF ST. STEPHEN
"CVI SERVIRE REGNARE EST"

The Guild of St Stephen recognises the need to ensure the welfare and safety of all children and young people in our parish Guild.

In accordance with the Diocese of Hexham and Newcastle guidelines, photographs, videos or other images of children and young people will not be taken without the consent of the parents or carer. As well as social activities, pilgrimages, and any other form of activity.

At times the Guild may wish to take photos or videos of the servers or individuals in it. We adhere to the Diocese of Hexham and Newcastle Guidelines to ensure these are safe and respectful and used solely for the purposes for which they are intended, which is promotion and celebration of the activities of the servers. Please indicate if this is acceptable to you.

Yes / No

Arrangements will be made to collect and return children to specific pick up points. The Guild's responsibility stops and starts at these points. It is your responsibility to arrange safe travel to and from the pickup points. If you are ever delayed in collecting your child, please make every effort to contact the organiser or the escorting helpers so you can discuss arrangements for your child.

There may be occasions when your child is involved in planned and structured non-serving activities such as trips out, pilgrimages, social activities or participating in a fund raising event. Your parish Guild will have collected appropriate information in preparation for the activity (e.g. about the journey, the children's various needs and helper skills), identified any potential risks or dangers, minimised the risks and dangers by careful planning and precautions and made sure we know who is responsible for putting precautions into place (e.g. who will carry the First Aid kit). This process is called a risk assessment.
